

# All Saints and École Centennial Schools CHRISTMAS CONCERT

Thursday, December 15, 7:00pm  
Centennial School Gymnasium

Thank-you for attending our schools' Annual Band Christmas Concert. Please welcome your relatives and friends to share an hour of special Christmas music presented by our schools' three bands. Please feel free to make use of the following parking areas: The 2 lots East of the school, including the Early Learning Center and the street, ASC main parking circle including the field just to the South and the bus loading loop. Please keep fire lanes and entrances open to traffic. Also, parents of Grade 6 students will need to save each student a seat in the audience following the Grade 6 performance. We hope you enjoy our talents and our music.

## **Grade Six Band: Be sure to arrive no later than 6:30pm**

You will be wearing your best Christmas outfit. This can include dresses and skirts for girls and dress shirts and ties for boys. It is fun to include Christmas accessories, Santa hats and Christmas colours. Please, no t-shirts, jeans or casual wear should be worn to the Christmas Concert. You will leave your coats and jackets etc... in your locker and get down to the band room as soon as possible. The Grade Six set up room will be in the **Library**. Please do not get your instruments out of their cases until Mr. Kuglin instructs you to. The entire band will be brought into the performing area at 6:45pm, so please be ready and on time. Following your performance, you will be guided back to the Library to put your instruments away and then immediately brought back to the gymnasium to sit with your parents. At no time will it be acceptable to walk around in the school or sit with friends to talk in the performance area.

## **Grade 7/8 Concert Band: Be sure to arrive no later than 6:30pm**

We will be wearing our full band uniforms including black dress pants, black socks and entirely black dress shoes. Please be looking your finest before arriving at the school. Students should have their ties on and be tucked in when they enter the school. Please leave your belongings at your locker and get to the band room quickly. The Band room will be your set-up room. Please do not get your instruments out until instructed to. Be sure your cases are put away before leaving the band room. You will be brought into the gym and seated on the far wall of the gym in the same order as in final rehearsal. I wish you all the best on our performance. We have worked so hard polishing our music. Enjoy your concert!!

## **ASC/ECS Senior Jazz:**

Please follow the same instructions as per the Gr 7/8 Concert Band but instead of staying in the band room, get onto the stage as soon as possible after getting your instrument together. We will tune on stage at 6:40pm. I will be enjoying your wonderful talents along with our audience. Enjoy your concert!!
